STRANDED SHADOW ISLAND

BOOK 1: **FORBIDDEN PASSAGE**

Companion to the *New York Times* bestseller

TAKEN

"Jane!"

For a moment, all Buzz could hear was his own heavy breathing. Then, a soft rattling sound. It came from the brush, deeper in the angle. As he looked around, he saw a small group moving almost silently through the woods. They were kids, he realized, not much bigger than Jane herself. And even though he couldn't see his little sister, he knew they had her. There was no other explanation.

Buzz clamped a hand over his own mouth to keep from shouting out.

This is a work of fiction. Names, characters, places, and incidents either are the product of the author's imagination or are used fictitiously, and any resemblance to actual persons, living or dead, businesses, companies, events, or locales is entirely coincidental.

I am one of the luckiest guys in the world. I have two of the *most amazing kids on the planet*, and they bestow the greatest honor on me every day—simply by calling me Dad. Without them and my wife, Lisa, *Stranded* would not exist. So *Stranded* is always dedicated to them.

And during the course of writing this book I met a couple of other *suuuper* cool kids who gave me so much inspiration and made me smile so many times that there was no doubt I would dedicate this book to them, too!

CJ and Logan—through your courage, you reminded me to always keep my chin up. I'm glad we're friends.

Okay readers, hang tight. *Shadow Island* is a whole 'nother world. Remember, "The adventure you're ready for is the one you get!"
