ACKNOWLEDGMENT

In grateful recognition and sincerest thanks for the encouragement, guidance and unselfish sharing of their knowledge, time, effort and skills, and for the untiring motivation that leads to the completion of this study, the researcher acknowledges the following:

DR. CECILIA N. GASCON, Ph.D., President of the Southern Luzon State University in the Republic of the Philippines, for her untiring effort and belief that this collaboration is possible thus enabling us to pursue the DBA degree;

DR. DANG XUAN BINH, Ph.D., Director of the International Training Center, Thai Nguyen University of the Socialist Republic of Vietnam, for his enormous pursuit to provide the Vietnamese people an opportunity to grow through education;

DR. DO ANH TAI , Ph.D., his adviser, for guidance and endless support for the improvement of this study.

ITC STAFF, for providing the necessary research materials;

MANAGERS and STAFF of Vocational Schools in Hanoi city, my Respondents, for their patience and cooperation in answering the questionnaire and for other data given;

MY FAMILY and FRIENDS, for the love and support in one-way or the other; and TO ALL who have contributed to make this study a success.

Phạm Quang Vinh (Stone)

DEDICATION

This research is healthfully dedicated

**To my family and to all my relatives, my colleagues,
friends, classmates, administrators, staffs and employees
for Vocational Schools In Hanoi city.**

Phạm Quang Vinh (Stone)
